

## Sermon Discussion Questions 3/22

-What are some things that are making you nervous now? What things are playing on your anxieties? How is that affecting how you look at the world around you?

-When you think about power, what comes to mind? What do you typically associate with it? What makes someone or something powerful? Have you ever wanted to have more power than you do, and why?

-The instinct to protect ourselves and our loved ones is not a bad one! It is a human one. But it can turn into something harmful. In what ways does the desire for our own comfort and control over situations sometimes keep us from loving our neighbors and friends well? How do we so often choose the Gospel of Scarcity that the world offers over the Gospel of There is More than Enough that Jesus gives?

-What ways could you and your family reach out during this crisis and *be* the Church? Talk about ways that you could serve your community even as we continue to figure out what life looks like now.
