

Genesis 37:1-11

1. What is something new you picked up on in this passage? Something surprising or interesting? What are things you have thought about this story previously? Were those thoughts challenged?
2. Think about your Family of Origin: what are some habits, good and bad, you may have picked up from them? Have you ever thought about what traits you've carried on into your family now?
3. We talked about generational dysfunction and ACE scores. Here are some links to more articles and a quiz to find out your ACE score, as well as more information about what Adverse Childhood Effects actually are:
