What We've Been Given

Growing up in Indiana, my family's home was always full.

With a large family, there were people coming and going, meals around the table, conversations filling the rooms and plenty of life happening within its walls. We loved that home, and we cared for it because of what it held: people we loved.

Even after we grew up and moved away, it remained a place that connected us. It was home.

Homes require care. Over the years, things wear out, needs change, and spaces sometimes need to be reshaped to serve the people who live in them. Caring for a home isn't about making it perfect. It's about recognizing its value and making sure it continues to serve the life within it.

Our buildings aren't what make this church alive. **But our spaces should reflect the life happening within them.** For nearly 100 years, others cared for and shaped this place for us.

Now, it's our turn to shape it for those who come next.

Shaping Spaces for the Life Within Them.

Grandview isn't defined by our buildings. But the places where we gather matter.

They should welcome people well, support ministry, and reflect the life happening within them.

Why now?

Grandview is full of life. Our church is growing, ministry is evolving, and the ways we use our spaces have changed.

At our Buffalo Campus, spaces that have served us for generations need renewed investment to better support the ministry happening within them.

At our Cityview Campus, continued growth is creating the need for a larger, more permanent place to call home.

And as we invest here, we want our generosity to reach beyond our walls through the mission partners we support around the world.

This is a moment to faithfully steward what we've been given and prepare for what comes next.

The Plan

100 AND GENEROSITY CAMPAIGN

$1.5M to shape our spaces.

$1M for Buffalo Campus:

Renewing the spaces that have served us well.

Foyer

A more welcoming and functional place to connect.

Sanctuary

A renewed space for worship and gathering.

Kitchen

An updated space for hospitality and life around the table.

$400K for our Cityview Campus

Creating space for what's growing.

This commitment positions us to take the next step toward a new building or larger space for our Cityview Campus as our community and ministry continue to grow.

$100K for our mission partners

Giving beyond our walls.

As we shape our own spaces, we will remember to invest in Grandview's mission partners and the work they are doing in communities around the world.

What Can You Do?

100AND is an invitation to prayerfully consider how your generosity will shape Grandview's next chapter.

PRAY TODAY (and tomorrow, and...)

This season at Grandview depends upon our prayers together. Pray for Grandview, pray for one another, pray for the kingdom of God, pray for discernment about how God is calling to you respond to this invitation.

PAVE THE WAY

What conversations do you need to have in order to participate fully? What questions do you have? What decisions do you need to make?

PARTICIPATE FULLY

Join in as we enter this Generosity Campaign. Use this guide to stay connected. Mark your calendars for the key dates in this season. Attend a **Vision Night**. Make plans for **Commitment Sunday** on November 1 when we will make our financial commitments together in worship at both campuses. On November 15, **Celebration Sunday**, we'll give thanks to God for the beginning of this Generosity Campaign.

CONSIDER YOUR GIFT

Ahead of Commitment Sunday, consider the resources, gifts, assets, and opportunities you have to give generously. As we shape our spaces for our ministries today and our mission in the 100 years to come, the invitation is for all of us to give courageously, consistently, and creatively.

Giving **courageously** stretches our generosity from convenience to commitment.

Giving **consistently** happens across the 25 months of the Generosity Campaign over and above your normal giving.

Giving **creatively** includes considering how non-cash gifts and resources (stock, real estate, antiques, jewelry, etc.) can enable generosity.

100AND
Prayer Guide

Through the five weeks of our 100AND focus, our Commitment Sunday, the two years of this 100AND Generosity Campaign, and into the next 100 years of life at Grandview, we must grow as a people who pray without ceasing (1 Thessalonians 5:17).

The following pages have been prepared by Grandview people for you, a Grandview person, as we pray through this 100AND Generosity Campaign. Our leaders have been praying about this season for over a year and it's time for us all to join our prayers together.

Each week, the readings and prayers flow from Sunday's sermon text and themes to help us focus our attention in a common direction.

Allow this guide to help you **REMEMBER**, **RECOGNIZE**, **ASK**, **PLAN**, and **COMMIT** together with our whole Grandview family as we anticipate God's presence and movement in our next 100 years.

WEEK 4: PLAN

Most days, we aren't building towers or leading armies (Luke 14:25-33). However, we are building friendships, careers, and habits. We are leading families, personal decisions, and conversations. This week, we **PLAN** our steps to follow Jesus with all that we are building, all that we are leading, and everything we have.

Monday October 26

READ: John 6:60-69

PRAY: Faithful God, as we set out to make our plans together, we say with Peter, "Lord, to whom can we go?" In whatever comes, we offer what we have to you and we will be content, even when the way gets hard. As we look ahead, we choose your way, your Kingdom, and your plans for us because we want to be faithful to you.

Tuesday October 27

READ: Proverbs 21:5 & 24:27

Wednesday October 28

READ: Psalm 27:1-3

PRAY: Lord, you have planted our feet in a secure place. We are safe with you. Help us to live for your Kingdom, forsaking comfort and security, confident in your presence and your provision. Move us to loosen our grasp on whatever hindrance that we are holding onto that is keeping us from moving in step with you.

Thursday October 29

READ: Philippians 3:7-9

PRAY: Jesus, you gave us a fresh start. Everything that came before you is no help to us. Everything that we have now is valueless without you. Help us to hold onto this reality as we purposely follow you. Help us to see the wealth that is ours as we find ourselves in you.

Friday October 30

READ: Matthew 13::44-46

WEEK 5: COMMIT

God is the one who opens the way and directs our steps. This week, we **COMMIT** to step forward into the next 100 years of life at Grandview. We step forward in faith that God has opened the door and is making a way for us.

Monday November 2

READ: Romans 12:1-2

PRAY: God, search my heart and life, and show me the parts of myself that I am withholding from worship of you. Shape us, as individuals and as a church, to be people of whole-life-worship, today and for the next 100 years.

Tuesday November 3

READ: Ephesians 4:2-5

PRAY: Loving God, may we be reminded of our commitment to the one Lord, one hope, one faith, one baptism, and one God who is over, through, and in all things. May the next 100 years be shaped by your humility, gentleness, and love.

Wednesday November 4

READ: John 15:12-17

PRAY: Jesus, as we step forward into the next 100 years of life at Grandview, we commit to your command to love one another. You have chosen us, so help us to choose one another; when it is hard, when we disagree, when it is inconvenient. Teach us to be loving friends like you.

Thursday November 5

READ: Psalm 37:1-9

PRAY: Lord, as we learn to commit our whole lives to you, replace our comparison with trust, our worry with waiting, and our fear with delight.

Friday November 6

READ: Matthew 28:16-20

PRAY: Lord Jesus, we commit ourselves to your ancient yet pressing charge to be disciples and to make disciples, fully immersed in life with you. We know that you have been with us for 100 years, and that you will be with us in the years to come, always, for the next 100AND.

Frequently Asked Questions

Isn't the church about people, not buildings?
Absolutely.

Grandview has never been defined by its buildings. At the same time, the spaces where ministry happens shape how people experience welcome, community, and worship. We are not investing in buildings for their own sake. We are stewarding spaces that help people encounter Jesus and one another.

Why not simply maintain what we have?
Faithful stewardship means more than preserving the past. It means preparing for the future. Our desire is not simply to maintain buildings, but to create spaces that faithfully support the ministry God is calling Grandview to today and tomorrow.

Why should I participate?
Because every generation has the opportunity to prepare the way for the next. Long before we arrived, others made room for us. Today, we are invited to extend that same gift to people we may never meet.

Is this about raising money?
The short answer is yes. This initiative does include a financial commitment. The goal of this campaign is participating together in generosity to create spaces that help more people experience the life found in Jesus.

What's going to change at our Buffalo Campus?
Changes will focus on renewing the sanctuary, foyer spaces, and kitchen for the ministry we know and love.

The **sanctuary** is refreshed as a beautiful, welcoming, and multipurpose space. Vinyl plank flooring and movable chairs increase flexibility and accessibility. A new sound system clarifies the sound in the room and opens more hearing assistance options.

The **upper foyer** is opened to increase welcome and flow on Sundays and table capacity on Wednesdays. Staff offices and the fireside room footprint shift slightly to enable a wider hallway and more natural light in the foyer.

The **kitchen** projects include necessary updates to the drain system, replacing center island counter space, and adding a sink sanitation system while keeping as tight of a budget as possible.

How will we decide to distribute the $100k to partners?
50% of that money will be distributed by our missions team to our international ministry partners according to ministry needs and opportunities. The other 50% will be shared with our JCServe partners as determined by our elders.

How are we going to use $400k for our Cityview Campus?

Although we are settled and flourishing in the Gallery, we are anticipating the next chapter of life at the Cityview Campus in a new location with more space for children, opportunities for additional gatherings, and community partnerships. We are putting together a team of people to focus on identifying future gathering spaces. The money we set aside will be designated for build out, remodeling, and supplies so that we are prepared when the right move becomes evident.
